

BEAUTIFUL NATURAL FACES

By

DR. BRENT J. SMITH

SMITH COSMETIC SURGERY
CENTENNIAL, COLORADO

S

pecializing in face and neck cosmetic procedures, Dr. Brent J. Smith knows that rejuvenating a person's face can do wonders for someone's appearance. Through his fellowship training and years of experience, he has achieved the maximum level of expertise in facial surgical procedures. "My goal is to have people look like themselves, just better, without an operated look," says the dedicated, veteran surgeon. His Rapid Recovery Program™ promotes faster postoperative healing for both body and mind. The process includes hyperbaric oxygen to speed healing, Cynosure Photogenica® V-star laser applications to reduce redness and light-only Omnilux™ treatments to assist in skin regeneration.

The individuality of the human face fascinates me.

MEET THE DOCTOR

1.

YOUR PATIENT CARE PHILOSOPHY

I meet with each patient at the beginning of the process, starting with the consultation and staying connected until the last visit post-surgery

2.

HOW YOU START YOUR DAY

Every morning I pray by name for each of the patients I will be seeing that day

3.

THREE WORDS THAT BEST DESCRIBE YOU

Compassionate, humble, humorous

4.

YOUR MOTTO

I try to adhere to the well-known saying, "You make a living with what you get and you make a life with what you give."

5.

WHAT SETS YOUR PRACTICE APART

We work hard to establish a supportive environment by building relationships with our patients through many preoperative meetings

6.

YOUR GREATEST ACHIEVEMENTS

Performing more than 10,000 facial cosmetic procedures, being featured twice in *People* magazine and being chosen as Denver's "Extreme Makeover" facial plastic surgeon

7.

HOW YOUR PROFESSION HAS EVOLVED

Technology has improved and ancillary procedures such as Botox™ and fillers have provided a gateway for individuals to experience an almost immediate result

8.

CAREER-DEFINING PROCEDURE

Our exclusive Rapid Recovery Program has been very successful; it's a process that includes on-site sessions with hyperbaric oxygen, proven to speed the healing process, help fight infection and decrease bruising and swelling

9.

MOST MEMORABLE PATIENT REACTION

Jumping out of the chair to give me a big hug
